Introduction

The cemetery project of the genealogical section of the Wayne County Historical Society was begun in 1971 at the suggestion of the president, Miss Ruth Bartell, and under the chairmanship of Mrs. Donald Werner. The purpose of the project was to locate as many Wayne County cemeteries as possible, and to record all the known burials.

The work was continued through 1973/1974 and 1974/1975 under the chairmanship of Miss Fay Grunder and Mrs. Myrtle R. Hawkens, and the continuing committee: Mrs. O. D. Diller, Mrs. Paul Liggett, Mrs. Floyd Logee, Mrs. Thelma Ungerer, Mrs. R. Clare Watson, and Miss Ruth Williams. Many other people have been most generous in giving of their time as well as sharing information, thus making possible the offering of this genealogical research tool to the public.

The committee asks indulgence for any omissions or errors that have been made. We have tried to list after each cemetery the names of the people who recorded the inscriptions.

We should like to thank the following persons who helped copy cemetery inscriptions: Mrs. Marguerite Baurer, Miss Margaret Berkey, Mrs. Ted Berry, Mrs. Lester Beyeler, Mr. Ellery Castell, Miss Erika Castell, Mrs. Verne Chamberlin, Mr. and Mrs. Merle Conrad, Mr. Ford L. Thomas, Miss Mary Van Doren, Mrs. Tony Victor, Mrs. Richard Walton, Mrs. R. Clare Watson, Mrs. Donald Werner, and Miss Ruth Williams.

We appreciate the help of these people for making church records available. The Reverend Mark Steiner and the Consistory of St. Paul's Church of Mt. Eaton for their old German and French records; the Reverend I Melville Whorley for the records of the old Apple Creek Presbyterian Cemetery; Mr. Lloyd Miller for the Oak Grove Mennonite Church records; Dr. Joseph Polivka for the cemetery records of the St. Mary's Cemetery Association; and Mr. Homer Shaffer for the cemetery records of the Chippewa Church of the Brethren.

For giving much helpful information we thank the following: Mrs. Harold Boreman of Congress Township, Mr. Harris Des Voignes of Mt. Eaton, the Johnston Funeral Home of Shreve, Mr. I. J. Staley of Orrville, and Mr. Melburn Yoder of Orrville.

We thank Mr. Carl Schaffter, Mr. James R. Huffman, Mr. Earl Oplinger, Mr. Walter Scott, Mrs. Fegley, and Mr. & Mrs. David Sommers for data on the old abandoned and/or gone cemeteries on their farms, and Mr. Warren Katzenmoyer for information on the old cemeteris in the Wildlife Preserves.

Appreciation is due, also, to Mrs. Paul Crow, Miss Paula Blankenship, and others for valuable assistance.

We are deeply indebted to the following people who proofread: Mrs. Ted Berry, Ellery Castell, Miss Carol Cockrell, Miss Elizabeth Cockrell, Miss Leila Compton, Mrs. O. D. GALLAGHER FAMILY CEMETERY

According to an article in the DAILY RECORD of April 4, 1970, by Mrs. Marlyss Victor, there was an old burial ground known as the Gallagher Family cemetery, probably on the Gallagher farm which was in Baughman Township, down a lane from Road 119 off County Line Road. This information was verified by Mrs. Esther Powell, historian of Akron. Mrs. Powell's records, along with further research by Mrs. Victor have given us more of the history of this family plot, which was gone as early as 1936, when Mr. Bert Lehman of Orrville, said he found some of these tombstones used as a walk around farm buildings near the old Gallagher home. From the above people we learned that some of the stones had been removed to the Rectory of Sts. Philip and James Church at Canal Fulton. Apparently the Gallagher settlement was made of mostly Roman Catholic persons who were part of the Canal Fulton Parish.

On March 9, 1974, Mrs. Myrtle Hawken and Fay Grunder visited the Rectory at Canal Fulton and found some of the stones stored in the basement there. It is not known who rescued these stones, and/or if the bodies of these people were removed to the Canal Fulton cemetery. It is believed by the secretary of the church that the bodies were not moved there. However in their records they do have the names of Mary McCue and Philip McCue, who were from the Gallagher settlement, so maybe these two at least were moved.

By piecing together the information from articles in the DAILY RECORD and the tombstones found in the Rectory we have the following list of names that were without doubt buried at the old Gallagher Cemetery.

GALLAGHER FAMILY CEMETERY

The McKinley name listed here, is believed to have been an uncle of the late President William McKinley who was very friendly with people in this parish, although not of the Catholic Faith, some of his Irish relatives might have been.

MARSHALLVILLE CATHOLIC CEMETERY

MARSHALLVILLE CATHOLIC CEMETERY

According to the notes on "Churches" taken from Douglas, Wayne County the old Catholic church was built in Marshallville about 1849. We do not know how long it was in use. Various stories are told as to its history. Douglas calls it St. Michael's, however as this is the name of the Lutheran church south and east of Marshallville, we wonder if this is an error.

The church has not been in existence for 30 to 40 years, but the cemetery ground attached to the church property still stands in about the center town, and belongs to the Diocesse.

We were told that in the 1930's the remaining bodies in the 1930 cemetery were removed to other places, but can find no record as to the exact cemetery where they might have been moved. Some say Canal Fulton, others say Doylestown. Only the families of these people know, for we could find no record.

However we did find a remaining tombstone practically buried, under grass still in the cemetery. Investigation tells us that the families of these people refused to allow the bodies to be removed. The only known ones that could be found are the following:

PETIT
Joseph, b. 1773, d. 1859, age 25
Catherine, w/o Eugene Petit, d.

MARSHALLVILLE, WEST END CEMETERY

This is an old some-what abandoned cemetery directly at the foot of the water tower in Marshallville, on what is properly called Euclid St..although it does not set exactly on the street. According to the few townspeople we met in Marshallville, it is most often spoken of as the Prebyterian Cemetery. According to the Sesquicentennial history of the town churches is rather confusing. Also the designation of this cemetery remains confusing to those of us who are not more familiar with the history of the town.

At the date of the reading of inscriptions, we found it in a rather sad condition, there being no less than 25 monuments and markers piled on a huge circle around a big pine tree at the back of the cemetery. We were able to read a few of them, and so did proceed to copy them, but many are turned with bottom side up, so they will remain unrecorded until such time as some one sees fit to repair the damage

MARSHALLVILLE, WEST END CEMETERY

that has been done by time and/or vandals; we are not the judges here, but feel that such a condition should not exist, and hope that in the near future some work can be done to repair the whole cemetery.

In some cases where names are not clear we did some guess work, having guessed by the name next, hoping we have put each on in the right family:

SAINT MICHAEL'S CEMETERY

This cemetery is one mile east and one mile south of Marshallville, on County Road 95 (Coal Bank Road), Baughman Twp., Section 3.

Three congregations use this cemetery and share its upkeep-St. Michael's Evangelical Lutheran Church (across the road from the cemetery); the Reformed (now the St. Michael's United Church of Christ) in Marshallville; and the Mennonite Church. The Mennonite part of the cemetery is south of the driveway which is the farth est to the south, and these names are listed separately.

Esther Weggandt Powell's book "St. Michael's Evangelical Lutheran Church, 1830-1930" gives a good history of the church, and lists some of the names on the grave stones in the cemetery. The book is in the Wayne County Public Library, Wooster, Ohio.

CANAAN BEND CEMETERY

A house of worship bearing this name was erected in 1831-32, though Dr. Barnes, a minister of that denomination, (Methodist), had preached there as early as 1815. The earliest attendants upon this church were the Weeds, Plumers, Stratons, and others and after them the Karnes, Thrapps, Bowmans, Zuvers, Hills. The church became extinct some twenty years ago, yet the "Bend Methodists" left their impression upon the community." (from Douglas, SHist. of Wayne Co., p. 776)

The cemetery herin listed was made up of people from the church named above and is believed to have been sponsored by that group.

JACKSON PRESBYTERIAN CEMETERY

The original cemetery consists of that portion which started at west boundary of church property and extends west through rows of tombstones No. 1 to 23. Due to the fact that records were not available our only recourse was to make a record of the data shown on the different tombstones.

This cemetery originally belonged to the church which was the first to be organized to Canaan township, by the Presbyterians who founded the church in 1827. Early members were Nathan Hall, William and Mary Maloney, Parmelia Hall, Mary Gibbon, Keziah Smith, Sophronia White, Elizabeth Hoisington, Benjamin Hays, David Hosington, Sylvanus Jones, Thomas and Eleanor Hays and Samuel Slemmons. Not all of these people were buried here.

In recent years, the cemetery association formed an organization separate from the church and conducts its business on a basis entirely separate from the church organization.

Only about 50 percent of the original burials have tombstones still standing, so the sexton, Mr. Ross McIlvaine, compiled a record that contains part of these burials. The remaining record was copied from tomb-stones that could be read. Mr. McIlvaines's record was made in Sept. 1963, Records from portions of ground added in recent years are more accurate.

KOPE CEMETERY

The Cemetery is located on County road #6, in Sec. 32, This was the location of the Kopp's meeting house, according to Douglass, p. 776,. The meeting house was built about 1830 and was used by Lutherans and German Reformed congregations. The church has been gone for perhaps more years that there are records available. Among some of the earliest burials were Sommers, Kopfs, Fetzers, Ollers, Hewitts, Lehrs, Reiters, and Whonsetlers. These were early members of either one of the congregations which used the meeting house. Later when churches were built in other parts of the township, many of the families transferred to other denominations and other congregations.

MAPLE MOUND CEMETERY

Court records show that land for the original part of Maple Mound Cemetery in Creston, was purchased in Aug. of 1887 The village of Creston, known as Pike Station until 1881, did not have a cemetery.

Minutes of organizational meetings state that the land was purchased from Philip and Elizabeth Baum and consisted of land 95/100 acres, the sale price being $600.

First lot was sold to Yale L. Baum, and Mr. John Smith was elected president of the association. Records state that Mrs. Margaret Kretzer was the first person buried in this cemetery. Her death is given as 1886 so we assume that the Cemetery development was in operation before 1887 when the final organization took place.

Through a period of some 60 years the Cemetery Association had full jurisdiction over the burial ground. From time to time more land was added, finally a plot of several acres on the north side of the road. In the early 30's the town council took over the work of the cemetery association and at present it is cared for by a committee of councilmen.

In the 1916 a lovely brick shelter house was erected for the purpose of holding services in time of bad weather. However through the years this building

MAPLE MOUND CEMETERY
(Cont.)

was used for a tool shed part time, but having finally become a target for vandals was in 1973 declared a nuisance and was rezed to the ground.

More complete history is recorded in books filed in the Mayor's office.

BETHEL CEMETERY-Addenda

Sometimes referred to as the Sichly cemetery. In 1836 Rev. Elias Sichly and wife Fanny located in this area, church services had begun here in 1832. Lot bought from George Emery for $24.00 for a church and cemetery dated 12-25-1851. When the church was built the Sichly family contributed$1200.00 of the total cost of $1625.00. On dedication day a new

organ was found in the church by a nameless donor. Thus the name "Sichly".

Eva Wyke d/o William & Rhodiah buried here--was 18 months old.

Miss Sarah Houser--was 18 years old
Parents: Jacob & Elizabeth Houser. (sisters)
Mabel Houser--6 wks old, perhaps no stone for either.

CHESTER CORNERS CEMETERY

In the year 1833, Rev. Thomas Kickernell, with sufficient members of the Moniece Church organized a Church of God at what is known as Chester Corners.

Chester Corners was a point 1¼ miles east of the old Historic Eight-Square; and one half mile east of the present Oak Grove school house, where the Wooster and Congress road crosses the east and west road.

At this point, John Funk, a pioneer settler of Chester Twp., and a Church of God minister, owned the land (376 acres) on the south side of the road today owned by Stephen Yoder, Peter Buholz, H.U. Moswery and Mrs. Quinby Mowery.

In the Recorder's office at Wooster, in Vol. 23, page 617 is a deed which was made June 9, 1841, by which John Funk deeded to John Funk and others, elders and deacons of the Church of God the land upon which the church house stood. It is evident from the wording of the deed that this Church house at Chester Corners had been built and the grave-yard used as a burying ground some years before Rev. John Funk deeded it to the church officials.

There are no marks left to show where the church stood, and the township trustees refusing to fence and keep the burying ground cleaned, since about the year 1900, no trace can be seen where the cemetery had been.

About 1855 the old house of worship located at Chester Corners was torn down and moved down the valley at Overton, and served as a place of worship for 19 years.

DIRK (DERK) child said to have been buried at Chester corners in 1873. Tombstone was found in the woods of old Dintaman farm now owned by Kenneth Reichart, R.D. 6, Wooster.

(From a history given to us by Mrs. Sylvia O. Richardson) (West Larwell St. Wooster, Ohio)

CHESTER CORNERS CEMETERY

In the year 1833, Rev. Thomas Kickernell, with sufficient members of the Moniece Church organized a Church of God at what is known as Chester Corners.

Chester Corners was a point 1¼ miles east of the old Historic Eight-Square; and one half mile east of the present Oak Grove school house, where the Wooster and Congress road crosses the east and west road.

At this point, John Funk, a pioneer settler of Chester Twp., and a Church of God minister, owned the land (376) Acres on the south side of the road today owned by Stephen Yoder, Peter Buholz, H. U. Moswery and Mrs. Quinby Mowery.

In the Recorder's office at Wooster, in Vol. 23, page 617 is a Deed which was made June 9, 1841, by which John Funk deeded to John Funk and others, Elders and Deacons of the Church of God, the land upon which the Church house stood. It is evident from the wording of the deed that this Church house at Chester Corners had been built and the grave-yard used as a burying ground some years before Rev. John Funk deeded it to the church officials.

There are no marks left to show where the church stood, and the Township Trustees refusing the fence and keep the burying ground cleaned, since about the year 1900, no trace can be seen where the cemetery had been.

About 1855 the old house of worship located at Chester Corners was torn down and moved down the Valley at Overton, and served as a place of worship for 19 years.

DIRK (DERK) child said to have been buried at Chester corners in 1873. Tombstone was found in the woods of old Dintaman farm now owned by Kenneth Reichard, R.D. 6, Wooster.

(From a history given to us by Mrs. Sylvia O. Richardson, West Larwell St. Wooster, Ohio.)

FAIR HAVEN CEMETERY

The Fair Haven Cemetery was founded May 5, 1862 on the land sold by Jacob & Mary Garver to Martin Hoover, Samuel Shoemaker and E. Swinehart, as Trustees for the use of the German Baptist Church and Grave Yard.

Located in Chester Township north of Lattasburg, and right beside the Mohican Church of the Brethren.

NEW PITTSBURG CEMETERY

Located approximately 9½ miles NW of Wooster, O. on State Rt 250 in ChesterTwp. On March 30, 1893 a one acre tract of land was sold by Fredrick & Dianna Rice for a cemetery for the price of $1.00. It was used as a buriel grounds before being surveyed into lots & therefore the size of the lots were not uniform and sold for $2.00 to $13.00 each. The first trustees were: Eli Snader in 1889, Issac Wile in 1890 & P.C. Firestone in 1891. The cemetery was incorporated on 6-23-1899 & the trustees were Peter Stain, Wm. Fortney & P.C. Firestone. On 11-25-1801 Franklin P. & Mary Rice sold 3 11/100 acres to the cemetery ass'n for $50.00 which is the south half on the "new" section, lots here sell for $50.00 & are a uniform size of 10' x 14'.

A masoleum is an interesting item and the only writing on it is: "Stair 1897". Buried therein is Peter & his wife Sarah, with room for two more. This lot was purchased 6-7-1901 & the stone for the building was hauled by horse & wagon from the Wooster railroad.

A Lutheran Church once stood at the NW corner, no vestige remains. There were circuit ministers that preached here and on a given Sunday two came on the same Sunday and there was quite a "squabble" as to which one was going to be allowed to preach.

Our Baby ?? 1906 (Not like any other stones, vacant spaces on either side.)

OVERTON BETHEL CHURCH OF GOD CEMETERY

Location: Sec. 13 Chester Twp.
Range 14, Township Road No. 22
Mrs. Sylvia O. Richardson of Wooster, Ohio gave us a History showing the Overton Church of God and Cemetery came into being in four or five stages.

In 1833 a Church of God and Graveyard was established at Chester Corners on land owned by John Funk, 1¼ miles east of the old Historic Eight-Square.
Ref. Deed Volume 23, Page 617, Date June 9, 1841

Fifteen years later most of its members were living around Cedar Valley. For their convenience an old log house called the Gospel Shop was purchased. History records that it was rightly named, for many were added to the church--names like Lehr, Warner, Myers, Berry and Walton.

About 1855 it also became to small, and Ed Lehr, Peter Warner, and David Myers were elected as the building committee. The old house of worship at Chester Corners was moved down in the valley at Overton, and it served as a place of worship for 19 years.

In 1858 Edward A. Lehr and wife Mary sold nearly 2 Acres of land one-half mile east of the third church building, and on Killbuck Hill. It was plotted for a Cemetery, and the first to be buried there were two small children--one of Abraham Thorne, and one of J.C. Warner in 1874. (Deed Vol. 48 page 380)

Many of its members now came from the east, especially one old gentleman who was the main-stay of the Church. Afraid to travel the large hill, he offered an inducing sum of money on the new building if they would place it on the hill, and they accepted.

In April of 1891, Martin L. Winkler also sold a plot of ground to the Trustees of the Church of God of Cedar Valley

OVERTON BETHEL CHURCH CEMETERY

containing 1½ Acres "to be held in trust for the use of the Public for Cemetery purposes, subject to all legal highways."

The reading of inscriptions of Chesnut Hill, Doylestown was done August, 1974 by the Following people:

COLLIER FAMILY CEMETERY

About ¼ mile east of intersection of roads 206 and Shank Road, is the old Collier family cemetery. Enclosed with an iron fence, well cared-for. One tombstone left, bearing the following:

COLLIER
William, d. Aug. 19, 1889, age 67 yrs. 8 mo. 2 da.
Harriet, d. Mar. 27, 1896, age 69 yrs. 7 mo. 16da.

At the foot and to the east of the large tombstone are 2 flat stones, about 3/5 ft. with remains of a long epitaph on each one. These cannot be read, but at the end it says, "Father" and "Mother" respectively. There is evidence that two more monuments were once here, as the foundations still show. This burial place is about 1¼ mile east of Doylestown.

DOYLESTOWN LUTHERAN CEMETERY

Three Cemeteries that are Gone.

The information in this writeup is from:

1. An article by Helen Waterhouse in an Akron Paper of Sept. 10, 1959, entitled "Old Graveyard Goes-All But One Tombstone" and

2. Research done in the summers of 1972 and 1973 by Mrs. Marjorie Graven Wyatt.

The Former Lutheran-Reformed Cemetery
To Quote Helen Waterhouse:

DOYLESTOWN LUTHERAN CEMETERY

"Doylestown-a lone gravestone stands in the middle of a neatly sodded lawn beside the Zion Lutheran Church. Once there were about 125 tombstones in the lot. covering the graves of the early settlers of N.E. Wayne County who died in the middle of the nineteenth century. Among the missing stones are several which were erected to the memory of Revolutionary War Soldiers..

Now all but one of the stones are gone. Church trustees, wanting to improve the appearance of the cemetery, removed the stones, landscaped the area and erected a single memorial." It says "In Memoriam. In Christ Shall all Be Made Alive." The stones were given to Charles Ault Jr., who planned to use them to make a dam for a lake on his Chippewa Twp. property".

The church secretary, on behalf of the pastor, the Rev. Richard G. Keenan, informed Mrs. Wyatt that they have no records of the cemetery plot plan. Helen Waterhouse goes on to say "Mrs. Esther W. Powell now has a list of 88 names of persons buried in the Lutheran lot-including such well known area names as Gartner, Reifsnyder, Klein, Christian, Kepler, Houseman, Shank, Nowlin and Harter."

The lone family monument which remains, stands in about the center of the plot. It is that of Youncher. It says:

Cornelius Youncher
d. Jan, 30, 1890
Aged 66 yrs. & 19 da.

Lovette E. Youncher
borne July 6, 1836
died 1886

"No more Thy Loving Face
Will Light the Gloom of Home
Yet in Memory's Love We See Thee
While in Sorrow We Are Alone."

This stone escaped removal because the trustees were advised that they must publicly advertise their decision for six weeks. The only protest came from the daughter of Cornelius Youncher who lived in Arizona.

THE FORMER METHODIST CEMETERY

To quote Helen Waterhouse again "Across the street" (from the former Lutheran cemetery) "is the former Methodist Church Cemetery. A row of houses now stands over the graves an no one apparently knows where the gravestones are."

THE FORMER OLD PRESBYTERIAN CEMETERY

According to Helen Waterhouse again" In the center of the village is a modern bungalow church cemetery, with a small stone erected over the old Pres. in the front yard noting that the graveyard once was there. In a week-grown field at the rear of the house is a pile of gravestones with the names of Doylestown's Presbyterian forefathers."

Mrs. Wyatt was unable to find anyone with a record of the burials in the above latter two cemeteries. The article in the Akron paper quotes an attorney as saying "It's poor procedure for any church to destroy memorials to the people who built that church. Cemetery associations should have been formed by the church members to preserve these graves. Many law cases are decided on dates and histories on gravestones when no other records have been kept."

The sites of these three cemeteries are plainly marked on the map of Doylestown in the 1897 Wayne Co. Atlas.

LUTHERAN REFORMED CEMETERY

There is a monument in the fore part of the now vacant of tombstones cemetery. It says" In Memoriam
In Christ Shall All be Made Alive
This burial ground is adjacent to the now Zion Lutheran Church, Doylestown, Ohio.
Richard G. Keenan, Pastor.

A lone, large family monument stands about half way in the burial ground. It is the family stone of Youncher (Youngher). It says:

Lovette E. Youncher	Cornelieus Youncher
born	died
July 6, 1836	Jan. 30, 1890
died	aged
1886	66 yrs. 19 days.

BROWN FAMILY CEMETERY

Information from Mrs. Gladys Burns of Wooster, Ohio. To get to this old cemetery you would go south from Millbrook on 149 to the R.R. tracks (this is called Brown.s crossing). Walk west along the R.R. right of way, and the old cemetery is on the left side of the tracks and fenced in. Some years ago there were 4 stones there. This is the burial place of the early Browns, John Buckner and his wife Mary Morgan Brown. He came to Wayne Co. in 1813, when there were only 6 cabins in the entire county, and bought the s.e. ¼ of sec. 20, T. 18 R. 14. Mrs. Burns mother had taken her to see this cemetery a long time ago, and they wondered at its location, since the area seemed so swampy. From the Brown genealogy "John Buckner Brown died at his home near Shreve, Sept-15-1855. His wife was Mary Morgan daughter of Hugh and Mercey Ayres Morgan. They are buried on the Brown farm, one mile east of Big Prairie."

LEE CEMETERY-Brown-A.A. Westfall Farm

Another cemetery not in existance was on the property now owned by the Arly Westfall family. In the 1873 Atlas this was the William W. Brown property and the cemetery is marked. It is in the N.E. ¼ of Sec. 21. Mrs. Gladys Burns and others remember that there were quite a number of stones and nice big trees here..none of which now remain. This cemetery has been gone for quite some years, the people buried there having been removed elsewhere.

"FAIRVIEW CEMETERY"

Located on the Northwest border of Clinton Twp., Wayne County, O., on the crossroads of 290 & 104 about 2½ miles south of Funk, Ohio.

This is a large cemetery and one of the most beautiful & best cared for in the county, with a beautiful view of the surrounding farmlands.

Fairview Cemetery Association was organized on June 16, 1876, with the Fairview Evangelical Church being built at this time on land given by William and Elizabeth Long. After 85 years the church was changed to the E.U.B. Church, with services continuing to be held at this inspiring church. The Hope Church at McZena, Ohio was the "sister church" with its services beginning in 1840 at the John Jacob and Anna Catharine Spreng home. Their first church was built in 1850 with a cemetery beside the church. This cemetery was discontinued & the contents moved to Fairview in 1876 & are designated by an asterick. Hope church has continued on as an Evangelical, and its location is about 2 miles west in Ashland Co.
Only 14 dedicated sextons have cared for these hallowed grounds in its 95 years of existance.

FIRST BURIALS

Ben Douglas "History of Wayne County" p. 786, states...

"A man named Thompson was the first man who died in the township. He was an emigrant who took sick while stopping with John Newkirk, where Mr. Rainey lives, died and was buried to the rear of the house."

FIRST SHREVE CEMETERY

This cemetery was in the section 12, n.w.¼ on property now (1973) owned by Paul Maurer. To see where it was you go south from Wooster on 226, until you come to 75, then turn left on 75, go past the first house, down the hill, and you will see the railroad track ahead. On the right side is a field with a fence in the middle of it, which comes down the road from the hill. This knoll is the site of the First Shreve Cemetery.

FIRST SHREVE CEMETERY

About 1935, or 1936, the people buried here were moved to the present Shreve Cemetery. The reason for this was that, while the actual graveyard was on high ground, the roads to it were sometimes under water, and so people could not get to it. Mr. Earl Cornell remembers that it was a fair size- probably 10 or 12 stones one way and 5 or 6, the other. One stone remains in the fence row, although the body was moved to Shreve. It is that of B. W. Clark, who died in 1843, aged 75 yrs. Two of his young relatives were going to take it home, since it wasn't being moved, but found that it was too heavy and left it along the fence.

Research done by Mrs. Myrtle Hawken and Mrs. Laura Berry, 1972-1973

WALNUT GROVE GRAVEYARD

Just a little family graveyard but they had named it "Walnut Grove." Located on Twp. Rd 149 approximately 3 miles south of State Rt 3, south west of Wooster Ohio in Clinton Twp. This little buriel plot is shown on the Robert Manley farm in the 1873 Caldwell Atlas of Wayne County. The stones have been underminded by rodents and all are fallen over, one huge stone 8" thick, 24" wide & 36" long is lying face down, which is Julia Ann's stone.

"NEWKIRK CEMETERY"

Located in Clinton Twp., Wayne County, Ohio approximately 10 miles West of Wooster, take State Rt 3 to Rose Hill, there turn South on Co. Rd 104, approximately 2 miles on the West Side of the road.
Henry & Jane Hart Newkirk were pioneers of this community settling here in 1819. They were the donors of this cemetery and church grounds. The first buriel was David H. son of Henry & Jane Newkirk who died Jan. 3rd, 1826, aged 14 mo., this stone is now gone. The oldest stone in the cemetery is of Joseph Newkirk, son of Joseph and Eveline, dying on Jan. 24th, 1823 aged 3 mo & 27 da. the mother Eveline followed on Sept. 14th, 1823, aged 25 yrs. Henry & Joseph were brother.
The Methodist Church in the center of the graveyard is in regular use and was erected in 1843. The grounds are well kept and from which is a beautiful view of the countryside.

OAK GROVE

This cemetery is on township road number 75, north east of Shreve. It was given by Moses Lockhart Sr. from his 640 acre farm, and it was the original site of the Shreve Christian Church. Later the church was moved in to Shreve where the Sherman Miley place was, and then in 1902 it was moved to the present location.

It was organized in 1830 with the following members: Mr. and Mrs. Mose Lockhart, Mr. and Mrs. Stephen Morgan, Mr. and Mrs. John Hartford, Matilda and Mother Funk, Mr. and Mrs. Hugh Funk, Mr. and Mrs. Cornell

In the early days there was a large burial within were on the doors. The names of these people were Lockharts and other relatives of Mrs. Earl Cornell.

PIONEER CEMETERY

Old Pioneer cemetery along the Penn. R.R. tracks, about one mile west of Shreve, between Shreve and Brown's crossing, on the way to Big Prairie. It is about 2½ or 3 miles east of Big Prairie.

The cemetery is in the N.E. part of the N.E. ¼ Sec. 22 on the Clinton Twp. Map in the 1873 atlas, on the Clark Way farm. Now it is the property of a Martin family.

About 8 years ago Mr. Curtis Piper was told that the stones were all down and lying against a fence.

After the appeal in "Eppie Taft", Mr. and Mrs. Paul Liggett learned from Mr. Wise how to get there. One goes in to Millbrook from Rd. 226 to the "square",

PIONEER CEMETERY

turns left, and goes about a mile, It is hardly more than a path, and very bumpy with a big ditch on one side. It goes to a R.R. signal for the purpose of servicing it, and here is the only place to turn around. The Liggetts walked across the tracks to the cemetery, which is all covered with briars, clumps of bushes, trees and ground, except for a few against a tree. All the ones they looked at could be read. So the cemetery can be reached from the west by walking along the service road by the tracks, but only by walking on the tracks from Shreve.

Mr. Liggett remembers hearing his father say that a circus train was wrecked here about 1893 and that three members of the circus were buried in this cemetery.

Mrs. Curtis Piper says that some of her husband's Brown relatives are buried here. Mrs. Van Over in Shreve says that her mother's little brother, Fritz Robison (sic) is buried here, but because he had no stone, his grandparents put his name on their stone in the Shreve cemetery.

The following other burials are from a list sent to Eppie Taft by Mrs. R. H. Dickinson of Millersburg. It is the Western Reserve Historical Society Library and was recorded some years ago by Shreve's Mayor, Lewis Crawford, Mrs. Esther Powell, and Mrs. Ryall Kimber. It states that Mrs. Kimber has numerous relatives here whose stones she cannot locate. Six of the ones that are listed on the DAR cemetery record book at the Wayne County Library.

Names follow:

COBLER (sic) Michael, Rev. soldier, moved to Shreve cem. (Information recorded from small DAR Notebook in Wayne Co. Library) His grave in the Shreve cemetery is marked by the Wooster-Wayne Chapt. DAR.

Bald Knob is a high knob now covered with vegetation.
In early days it was a bare granite knob. It was used by the Indians to cure and dry their pelts. Salt was nearby which they used in curing the pelts.
The salt destroyed the vegetation thus it gained its name Bald Knob.
Today the years have placed a layer of soil on the stone and now there is a growth of wild oats. Recorded Nov. 13, 1971.

the new milk house. They lifted a flat

placed the stone flat engraving down,
then built the mil house in from off it.

BOTT FAMILY GRAVEYARD

This family cemetery was located S.E. of Wooster. Go east from Apple Creek on State Rt. 250 to a farm on the corner of 84 and 162, known as the Eyeman farm. Charles Eyeman bought it from the Putnans at that time, bearing the name of Bott. All are now gone.

Simon B. Eyeman was born June, 21, 1841, and the son of David and Elizabeth Bott Eyeman. In 1866, Simon married Isabelle Tinkey. They had 4 children who died at an early age. The site of the graveyard is shown in the 1873 Wayne County Atlas.

Researched by Mrs. Robert N. Ungerer, 1974

BOYDSTON - BODINE CEMETERY

This cemetery is located in Sec. 4, R. 12, T 16. Go east from Wooster on 30-turn north on 142-go through Milbourn Trailer Park, continue on to a little bridge at the foot of a hill. The cemetery lies about a quarter mile back to the left. It can not be seen from the road. The property is owned (1972) by Arthur Kandel. In 1954 it belonged to David Rohrer earlier to Wm. D. Finger, in 1912 to L. E. Walters, and the 1873 Atlas shows the owner to be Amos Walters.

References are from: 1. "The Orrville Courier Crescent" of March 1905 under "Early Settlement of Green Twp." Note: this part of E. U. Twp. was formerly in the Green Twp. 2. 1955 visit to this cemetery by Mrs. Raub H. Simon and Mrs. W. J. Buss, of Wooster Wayne Chapter DAR Geneological Records Committee. They copied the only seven legible and/or partially legible inscriptions marked with * on following list.) Double ** indicate names on both lists. The other names are from the "Orrville Courier Crescent."

BOYDSTON - BODINE CEMETERY

article 3 Aug. 1972 visit to this cemetery by Mrs. Marjorie Graven Wyatt, Regent Wooster-Wayne Chapter DAR., to see about the plausibility of marking the grave of the Revolutionary soldier, _____ Bodine, buried there. She found the cemetery overgrown with weeds, some of the headstones leaning against a tree, and four graves in bad shape.

From the 1905 article: "There is a little cemetery in East Union Twp. about 3/4 mile north of Milbourn's School. Here was erected about 1822 or 1823, probably the first church in this section-a Methodist church as nearly all of these settlers the Boydstons, Bodines, Thomases, and others being Methodists.
of hewed logs, & was for a time used as a school house also, but in some way disappeared after about ten years. In this little graveyard are some quite old stones-for instance: (six inscriptions followed) page six of "The Old Tuscarawas Circuit and Introduction to Methodism into Wayne County" (at Wayne Co. Library) says: "Ebenezer church, one of the first in the township, was on the Amos Walters farm."
List of known burials
Note that the six names selected, because of their age, for copying in 1905, only three were legible in 1955.

As you start down the hill in the pasture field on the south side of the road stands one stone only. It was his request to be buried on his farm. It is remarkable in what good shape the inscritption is after 130 years. This farm is now owned & occupied by the Eli B. Yoder family and it is in East Union Twp. "Oliver Day's wife buried on John Ramsey farm." Information from Douglass Wayne Co. History, p. 616."

OLD PRESBYTERIAN CEMETERY

The early history of this cemetery and congregation is found in "History of the Apple Creek Presbyterian Church, 1815-1915" call number 285 H67 in the Wayne County Public Library at Wooster. The Congregation was founded in the fall of 1815 and they met, irregularly at first in the old grist mill at the west end of "Edinburgh". In the summer of 1817 they built their first log church in the s.w. corner of the 3A. plot of ground which was donated, on Dec. 4, 1820, by the owners to the trustees of the Apple Creek Presbyterian church. Donors were John Cheney and wife, 1 A. and Casper Langell and wife, 2A. They stated that it was to "be only proper use and benefit of the said trustees and for the use and benefit of a school district forever." A portion of this plot was used as a cemetery - first burial being Elder James Bigham, who died in 1819.

Over the years this cemetery had fallen into quite a state of neglect. During the pastorate of the Reverend McCoy, his church young people undertook is restoration. To the best of their ability they cleaned it up. They repaired the broken and fallen stones, placing them in rows as well as they could. Then they copied all of the inscriptions which were readable, according to their location in rows. We are indebted to Dr. I. Melvilla Wohrley of Apple Creek for the use of this compilation. Under "note" on some of the records I have made a few additions from my personal records. Also we have checked the church young peoples list against an earlier list made by the DAR. These additions are marked DAR.

In the following list R-Row and S-Stone. At the end of the list are added the cards which may be partially read and the unreadable ones with their positions in the rows. Perhaps they will help someone.

The rows are numbered from church street across toward the west. Not all rows go all they way across. Row 00 nearest the highway. Row 35 at north side.

FRANKLIN TOWNSHIP

BUTLER-MORGAN CEMETERY

Located on a farm recently owned by a Mr. Zimmerman, and now, June 1, 1971 by the Killbuck Wild Life Project of the State of Ohio.

At one time people from Cleveland owned this farm and made a walk from the house to the out house with the grave-stones as well as using two for a doorstep. These two were later moved back to near the cemetery site .. the others, too, were taken back (the ones in the walk), but now are not to be found.

Mr.... Woodruff whose parents owned this farm when he was a little boy, and who is a Butler descendant says he had heard there were as many as 50 graves in the old cemetery - known names were Butler, Morgan and Munson. He will watch when the Wild Life people go in and see if the little cemetery and remaining stones may be left undisturbed.

Stones against a tree which can now be read.. Mrs. Jayne Carpenter Fair has taken pictures of the remaining stones.

LOCKHART-MOORE CEMETERY

This old Franklin Township cemetery is on the former Butts farm, now in the Killbuck Wildlife Preserve. It is in the S.E.¼ of Sec/18 and the 1873 Atlas shows it in the name of J.W. Moore.

To go to this old cemetery, you go east on 8 from Shreve until you come to township road 76. Here you turn left and go until you come to township road 289, where you turn right. Go past Ben Snyder's (on the right) and next on the left is the old Butts barn. The cemetery is in a direct line back from the barn, down over the hill, near Killbuck Creek.

There are 6 gravestones here, but only a couple letter or figures on each can be read. They are ancestors of Mrs. Earl Cornell, and the Moores and Lockharts, but Mrs. Cornell doesn't have names and dates. One was Wash. Moore and a generation back of him. Douglass "History of Wayne County, Ohio" p. 603, says, "Elizabeth Lockhart married James Moore." They are Mrs. Cornell's great grandparents.

(above material researched by Mrs. Laura Berry and Mrs. Myrtle Hawken, and stones examined by Mr. Warren Katzenmeyer.

MILLER CEMETERY OF BROWN FARM

Miller cemetery on the Mrs. Brown farm... o east on road 77 from Moreland to the old oy sawmill, turn left here and go north ½ mile on county road 201.

MILLER CEMETERY ON BROWN FARM

Hannah, his wife... they were parents of a man known as Whoopy Jim Miller)

An infant, unknown.

Sarah Jane Miller B. Feb. 21, 1857 D. 1894 (second wife of James Miller according to information given by Grandson of James Miller)

Grandparents of Durbin Daugherty... unknown at present.

Whoopy Jim used to care for this cemetery. A road was suppose to be kept open to it.

Compiled by Laura Berry & Myrtle Hawken 1972.

Miller Cemetery of the James R. Huffman farm, ½ mile east of Moreland on road 77, south side of road.

Upon the little hill east of the house and barn, near where oil well is now, there once were two nice white marble stone of Miller infants. Mr. Huffman thinks they were in the late 1800's. The writing was script, not printing.

Mr. Huffman's father bought the farm in 1920, at a sheriffs sale, at the Court house. It had belonged to a Joe Miller, deceased, who was a batchellor.

Probably the infants were brothers and sisters of Mr. Joe Miller.

OLD MILLER CEMETERY

On farm of Earl Oplinger, on county line rd. #2, 1 mi. west of Fredericksburg.

This cemetery is out in a field on the highest rise, just to the left of a little group of dead trees.. when one is looking from the house past the barn. The cemetery has been farmed over. It was so when Mr. Oplinger bought the farm. Along a fence back there are about six nice big stone foundations for tombstones. About forty or more years ago the cemetery was in bad condition, so they took out the foundations and buried the stones over the graves.

Mr. Oplinger has had two of the stones catch in his farm machinery and he has them in his barn. They are small sandstone ones.

These stones are:

TRINITY ENGLISH LUTHERAN CEMETERY

Located on the S. E. Corner of intersection of Co. rds. 49 and 92. Bowen, WAYNE COUNTY HISTORY vol. p. 254 says of it: "The church of this congretation in Franklin T. was erected in 1861 on lands donated by David Lawrence. Individual members furnished the material, cut the timber and hauled the logs. This church organization was the outgrowth of a dispute that arose between the members of the old Jacob's Church, as to whether there should be German or English preaching. The church was organized with eighteen members"

OLD CEMETERIES IN SMITHVILLE

There are three old cemeteries in Smithville that have not been in use for some time: the Old Hill Cemetery (also called Winebrennaerian cemetery), the Middle Old Cemetery (Lutheran Cemetery), and the Old Presbyterian Cemetery. Many stones are broken and illegible. In the Old Hill and Middle Old cemeteries, there are broken stones piled around trees.

Mimeographed records of these cemeteries done by Rush R. Webner and presented to Dr. Anna Blattenberg Yoder, D.A.R. were received from the Ohio State Library. Mr. and Mrs. Paul Liggett and Mrs. O.D. Diller reread these cemeteries in 1973 and 1974.

From the traffic light on 585 in the center of Smithville, go south and then turn left at the first alley. The first cemetery on the right is the Old Hill Cemetery, and a little farther on, also on the right, the Middle Old Cemetery.

This cemetery is just east of Smithvilles town water tank.

WILLFORD CEMETERY

Behind a fertilizer plant, Swift Agricultural Chemical Corp. Cemetery between the R. R. tracks of Crownhill Rd. and S. of back Orrville-Wooster Rd.

WILLFORD CEMETERY

This cemetery's approximate location would have been near a large dead tree at the S.W. corner of the fertilizer plant. Access to the spot can not be gained through the plant property, on account of tracks and a dump of debris.. nor via the R.R. due to briars and tall grass. We have been told that when the fertilizer plant was built, the stones were bulldozed to the back of the property. While many elderly Orrville residents remember that the cemetery was there, they know little about it except that it was known as the Willford family cemetery. In the 1897 Atlas, of Wayne County, the Green Twp. map shows a U.B. church in this area. However, we are not able to establish any connection between it and the cemetery under consideration.

A number of years ago the Wooster-Wayne Chapter of the DAR made a list of men and their families, buried in Wayne County Cemeteries, who were old enough

WILLFORD CEMETERY

to have served in the Rev. War and the War of 1812. In this particular cemetery they listed one single grave stone in the R.R. yards, west of Orrville.. Wm. Campbell, Revolutionary Soldier, no dates given..We wonder, but do not know, if this is the same Wm. Campbell, Rev. soldier, now in the Dalton Cemetery.

We are indebted to Mr. I. J. Staley of Orrville who contacted a number of long time residents about this and who with Mr. John Markley, tried to get to the site..also to Mr. Mel Yoder of the Orrville Crown Hill Cemetery.

Regarding the Willford family, we were fortunate in coming across quite an article about them in Egle's Notes and Queries, Ser. 3, Vol. 3, p. 163, entitled Willford-Campbell.

"ALPHA BERRY" CEMETERY
OR "STEINER-AMSTUTZ-BEERY" CEMETERY

We include two readings of this old cemetery by different people at different times because one compliments the other.

The cemetery contains 19 gravestones and from the sunken depressions of the ground there is evidence that it may possibly contain as high as 17 unmarked graves. It may be one of the earliest burying places for Mennonites in that immediate area. Some of the later graves were of people affiliated with the Apostolic Church nearby. Information on this sheet approximates the layout of the graves in the cemetery only partially.

Starting on the north side of the cemetery, reading from west to east, the names (by rows) are as follows:

Although there has been no buriels in this cemetery for the last 66 years, another Alpha Beery has this cemetery looking as nice as anyones front yard. Enclosed by a fence and sets back about a half mile from the road. Many more were buried here that had wooden markers which are gone, but one can see where each of the graves once were.

Oh this farm just south of the Old barn (original) stands the 1st log house built there-It has an addition built into it- to the west with boards 20-22 inches wide. Excellent condition for age. Will be torn down soon. Structure very interesting. Was built to endure.

CHIPPEWA CHURCH OF THE BRETHREN
(BEECH GROVE)

Church is in Cannan Township across the road, No. 54 from the cemtery. This is one of the finest cemeteries we have seen. In the summer of 1974, the church carried out a project of replacing the bases of all the tombstones. The stones are arranged in straight rows, and even the oldest ones, as well head and footstones have been solidly anchored in new cement footers. With a background of beautiful pine trees it makes a lovely little memorial park, of which the church members can

(BEECH GROVE)

be very proud. The records have been copied from the sexton's plot as well as from the monuments.

CROWN HILL MENNONITE CEMETERY

Located in Milton Twp., Wayne Co.,

CROWN HILL MENNONITE CEMETERY

Ohio on the corner of State Rts. 585 & 94, four miles South of Rittman, Ohio. The cemetery is well kept & a new addition to the rear is now being used. It sits on a knoll overlooking the surrounding farmland. A nice church & a home for the aged join the cemetery. The home built at the turn of the century will close in 1974. The 155 acre farm was given by D.C. Amstutz to the Mennonite board for the above uses.

The cemetery is older, with the first buriel in 1872 of Catharine w/o Ulrich Amstutz, Gradmother of Daniel C. The original church & cemetery began in 1825 about 2 miles NW of the present location & this cemetery is used by the Apostalic Christian Church, so check the Apostolic Cemetery list for other Mennonites you failed to find in this list.

MT. ZION CEMETERY

Located on County Road 48 in Milton Twp. East of State Route 3 at Hermanville.

August 22, 1851, Joseph Feightner and wife Elizabeth, sold to Geo. Hoff, John Young & Philip Hoff--Trustees of the Evangelical Lutheran and German Reformed Congregation of the Mt. Zion Church, one Acre of Land for the sole purpose of erecting thereon a house of worship for said congregation, and if required, a burying ground. The house erected on said land to be occupied as a house of worship exclusively forever.

Page 636 of Douglass History of Wayne Co. confirms the above and says the church was constructed by Dennis Sommers. John Young, Philip and John Hoff were the contractors, and Rev. Vermly was one of the first preachers.

June 13, 1891, Christina & Nathan Talley --Mary Walmer--Levi, George and Sarah Hoff-- Joshua & Etta Shank, sold to Daniel Hoff et al, Trustees of Union Mt. Zion Church a parcel of 0.35 Acres of land at the west end of the Cemetery.

July 1971 the Church lot was conveyed by Paul Zook et al, to the Trustees of the Mt. Zion Church of Christ, and the members of this church are now using the cemetery as their burying ground.

The three preceeding paragraphs were given to us by Mr. Carl F. Funk-Attorney, at Zanesville, Ohio.

The sign over the Cemetery gate was Mr. Carl Funk's gift to the cemetery. His parents, John Willis & Emma L. Funk and his sister, Nora E. Funk Zook, also his grand-parents, Jacob and Sarah Kiefer Felger, and an uncle Wm. Felger are buried there.

RITTMAN CEMETERY

Knupp's cemetery-Old Part

This is the record of the old cemetery at Rittman, known as Knupp's for many years. The names are taken from the tombstones as much as was possible, and supplemented by the records of the sexton of the cemetery. This is said to be the first burial place in Milton Township. The first burials were listed in the "History of Wayne County", by Ben Douglass. These names are:

Fritz, Sarah and her son Adam, and David Trump, about 1817

The exact spot of these graves is not known, but there is a memorial plaque in their honor in the old church which has been made into a museum and historical site.

In some instances the spelling of names may not be correct, but the compilers have tried to revise the list in order to be as nearly correct as possible at this time, and to comply with the common spelling of names that seem to belong to certain of the families represented. It is hoped that the reader will be kind enough to over-look mistakes in the knowledge that this work was done with many crumbled and badly worn tombstones as well as some records that were in a little dim with age.

Numbers refer to lots and graves and do in some cases place families

toghter which may need to be identified for the researcher. We hope this system will be helpful.

Records were compiled by Mr. Clarence Kunkler, Mr. Ford Coolman, and revised and edited in some cases by Miss Dorothy Fay Grunder. It is hoped that we have not left out any one who helped with the work. Perhaps the sexton should be one listed, although we do not know of any one, there having been without a doubt several who contributed to the lists.

Knupp's Cemetery-New Part
(a continuation)

The Rittman Cemetery is in Rittman. The following records were copied by Mr. Clarence Kunkler of that city. They are divided into three groups: 1909-May 1931, 1931-1961, and 1961-1973, The first and third groups list the burial dates consecutively. The second one gives the burial dates, which are not in order plus the consecutive listing of the lot numbers. We have added the record of the superintendent, Wayne Griffith, for the year 1973.

HOSTETLER CEMETERY

Located in Paint Township 1½ miles SW of Mt. Eaton, Ohio on State Rt 241 on the William W. Hostetler farm. The starting of this cemetery came about because of "necessity". A deep snow making it impossible to take Fanny Yoder, wife of Daniel L. to the regular graveyard. So she was buried on the farm 2/25/1917, with the cemetery still in use.

LUTHERAN CEMETERY

Going east on Road 250, go to second stop light and turn right, then turn into first driveway to left. In front was the old cemetery of the German Lutherans. Stones were removed, and one memorial marker placed there.

Behind driveway is old part of Lutheran Cemetery and old church stood in grassy plot behind it. (Back of it is the "Old" cemetery which was probably the German Reformed cemetery)

"OLD" MT. EATON CEMETERY

This cemetery seems to have no official name, but may be the one listed as German Reformed in the 1897 Atlas. It is behind the Old Lutheran cemetery and some-what to the south. While there are 2 parts, no one seems to have an official name for either part so is commonly called "OLD" cemetery.

MT. EATON DEATH RECORDS
St. Paul's Church, Mt. Eaton Translated from the German & French.

Photo-copied by permission of the Rev. Mark Steiner and the Consistory of St. Paul's Church of Christ in Mount Eaton, Paint Township, Wayne County, so that they might be included in The Wayne County, Ohio, Cemetery Records. To save rehandling of these frail old volumes, a few English registers were copied at the same time and are included in this compilation.

The original congregation of St. Paul's was German Lutheran. It was founded prior to 1825, at which time the log church was built. In 1843 they joined in building a church with a congregation of French speaking Swiss people who had come to the area in 1835. The two congregations used the church on alternate Sundays until 1883, when they became fully united. It is interesting to note that many of the people in both congregations came from the same area in Switzerland and adjacent Germany. Many of their names are well known today in the Mt. Eaton area.

For those who were buried in the old Reformed cemetery, on the south east corner at the second stop light going east through Mt. Eaton, no other memorial of their burial exists except these records. Some years ago the stones from this cemetery were all removed, and now it is just a grassy, plot with one marker in the middle

MT. EATON DEATH RECORDS

of it.

Behind it is the old Lutheran cemetery and the site of the log church. To the east of that is another large graveyard.

The present St. Paul's Church is in Mt. Eaton across the street from the large West Lawn Cemetery.

Following will be:

Section I. The records written in German

Section II. The records written in French.

Section III. The records written in English.

These precious old record books are kept in the manse along with others of equal age, which record baptisms, confirmations, marriages, communion records, and minutes of meetings relating to church business.

Section I.

The records written in German, translated by Bernt Brauer of Sault Ste. Marie, Ontario, Canada, for his mother-in-law, Myrtle R. Hawken of Wooster, Ohio.

It would be too bad not to copy these records as they are, so instead of alphabetizing them, two surname indices will follow. They are: 1. Surnames of the deceased, and 2. Maiden surnames of the wives.

Section II

The records written in French Translated by Myrtle Ross Hawken, 2035 Eddy Way, Wooster, Ohio in the summer of 1974.

The French records consist of two parts.

1. The list of the deceased of the French and German Church of Mt. Eaton having three pages.
2. The list of the deceased-being made up of 13 pages in the front of a large brown book. List 1. is of the same people as list 2. through "N. son of Julien Flory" on page 2, list 2. Both have been copied here as they are by different pastors and the data in one supplements that in the other.

I have followed each of these two lists by an index of the deceased and an index of the maiden names of the wives. The page numbers in the indices are those of the old books-called "Book pages" in this compilation-NOT the successive pages of the manuscript.

In these records N. - not named or unnamed.

Here follows a list of translated given names:

WEST LAWN CEMETERY
& Old Township Cem. at back

Located in the Village of Mt. Eaton, Paint Twp. Across from the St. Paul's United Church of Christ-Evangelical Reformed.

This is a record of those that are readable. The old Twp. Cemetery, of unknown origin, at the back of West Lawn appears to also be a part of it, and should also be checked for buriels here.

Township Cem. (now) behind West Lawn

Mr. Desvoignes of Mt. Eaton said that this ia a very old cemetery and no one knows its origin. The Township pays for its upkeep and it is cared for with West Lawn. It is the part behind the back drive and extends toward town in line with this drive. Some stones in this cemetery are partially and/or entirely grassed over. About ten years ago there was a pile of stones behind the fence in the woods.

WEST LEBANON LUTHERAN CEMETERY

Many old stones in this cemetery are broken and worn so much they cannot be read. It appears that there might have been two entire rows of stones taken away because of breakage and erosion. We have had to make guesses in many cases, in order to put families together. We are therefore not sure of the proper order in these cases.

JEFFERSON CEMETERY

Located approximately four miles west of Wooster, Ohio on old Route 30 (now 30A) in little village of Jefferson. This cemetery was the burial grounds for members of the Evangelical Church in Jefferson. Services were held in homes of Jacob Flora, George Zehning and J.C. Klinger all in the area until 1850 when worship was begun in a schoolhouse in Jefferson and in 1861 was purchased for their church. The class was abondoned early in the 19--'s and the church sold in 1922. It is now used as a private dwelling.

Many, many of the early stones are gone, which might have included some of the early church members as: Henry Brownwell, Frederick Bardman, Henry Stewick, J.G. Klinger and wife Sarah Peter, Barton Rhoes and wife and Sophia Fishburn.

"PLEASANTVIEW (YANKEETOWN) CEMETERY."
Located on Road 18 approximately 15 miles west of Funk, Ohio on the cres of a knoll overlooking the countryside below.

On March 19, 1884 a 9 7/100 acre tract of land was donated by Eli & Elizabeth Zimmerman for a cemetery and a church "to be used for church purposes only and for funeral services and no instrumental music".

The cemetery was incorporated on 1-11-1898 with the first trustees being: Geo. W. Garn H. S. Baker, Lyman Baird, Charles & Joseph Slater. On 9-10-19-1 Aaron and Adaline Beard donated an additonal 32-100 of an acre & in 1910 still another plot 48' x 198' was donated by George W. & Hattie Garst.

The Church of "Christian Disciple" stood across the road from the cemetery for 57 years, no vestige of which remain.

FREDERICKSBURG CEMETERIES

One of the first cemeteries in this community is the old Associate Burying Ground, located on the hill south of the Shaffer home where Harry Ober now lives on Pine Hill. It was the old Peppard farm. The Peppards came to Salt Creek in 1822.

The first church of the United Presbyterians was located nearby and was known as the Associated Presbyterian or Secedar Church.

At this writing, the grounds have been neglected for many years. There are possibly a dozen and a half recognizable tomb stones.

Names of people on tombstones in the cemetery in 1949 that are recognizable

SCOTT FAMILY OR BUNKER HILL

This cemetery was on the original Matthew Scott farm on the part now owned by Henry E. Raber, in the S.E. ¼ of sec. 22, Salt Creek Twp., very close to the Holmes Co. line. It is on a hill between T. Rd. 197 and 223--more easily approached from 223. We never would have found this old abandoned and neglected cemetery had it not been called to our attention by a descendant, Ivan R. Scott of Columbus O. Only three stone's can be read. The rest are knocked over and/or partially or totally buried. Horses and cows have grazed through it for a long time

The stones are:

MATTHEW SCOTT d. 1857 (all that can be read)
Infant of M. and L. Scott d. Apr. 6, 1831
ARCHIBALD KIRKENDALL, d. June 16(?), 1817
No stone for either wife, but they were probably there.

Archibald Kirkendall lived near by and was father of Sarah Kirkendall who married Wm. Scott, son of one of the first pioneers to this part of the State, Matthew Scott.

Goodspeed's "History of Williams Co. Ohio" (1882) p. 780, under W.C. Scott, says (of his grandfather: Matthew Scott was a native of Ireland who came to Columbian Co. O in 1801 where he married Nancy Eaton. In 1809 he moved to Wayne Co. O and his wife died shortly after arrival. He then married Lucinda Bevington. By these two mariages he became the father of sixteen children--5 by the first wife and 11 by the second. References are found to the Scotts and the Kirkendalls in both Douglass & Bowen Wayne Co. Histories

Cemetery located, copied and researched by, Mrs. Carl Lytle of Fredericksburg, Ohio. Summer of 1973

THOMPSON CEMETERY

This is on Co. R. 44, just south of 2. It is in a woods on a hill in corner of intersection (S.W.) It is well fenced and mowed twice a year by the township trustees. Most of the stones are standing. There is a right of way to it which goes up behind the farmer's barn.. This was given in exchange for the original one on the other side of his house. Cemetery is in the S.E. Corner of Sec. 17, John Thompson from James Monroe, Pres., 1835. All stones were read. One can see where others have been.

TRACEY, William Died March 3, 1871, age 65 yrs. 24 da. In WPA veterans graves file at the Wayne County Court house, they list him (same dates as being buried on the lot of his son Jacob in Fredericksburg,East Cemetery. He is listed as being a Mexican War Veteran. Descendants say he is buried in the Thompson Cemetery.

His stone is here

SUGAR CREEK TOWNSHIP CEMETERY

This old discontinued cemetery is located approximately one mile west of West Lebanon on Route 105 near the Paint & Sugar Creek Twp. line. As it is very old most of the tombstones are very hard to read. An old list of burials had three names on which I have designated with an *, as none of these stones are in the cemetery at this time.

Cemetery-Evidently very old and probably private. Only three stones.

Location-about one mile north of Madisonburg, on west side of road (Highway 3) close beside south back of Little Apple Creek, so just about on edge of Section 05 or perhaps 10. Turn into driveway to house just before the Little Apple Creek bridge.
On land owned now be formerly by a Caskey family, whose daughter is Mrs. Florence Brown of

continued:
Wooster,
All stones flat on the ground, and scarcely legible.

1 Harshal, s/o M. & E. Crites, died Mar. 28, 1815* aged 23 yrs.

*Probably 1845. Census of 1850- Michael (aged 50) & Elizabeth (Aged 49) lived in Wayne Twp., with four children from 11 to 17 years of age. They could not have had a son 23 yrs. of age who died in 1815, but could have had one who died in 1845. Michael was in Wayne Two. in 1830, but not in 1820, altho there was a Peter Crites in Green Twp. in 1820.

2. Eliza, d/o S. & M. Perrine, died March 30, 1843 aged 18 yrs. 7 ms. & 26 da. Census of 1850 Stephen Perrine (aged 55) and Margaret Perrine (aged 57) lived in Wayne Twp., with two sons 14 & 27 years of age.

3. Hannah, d/o ? & ? Perrine, of 17(?) yrs. ????? Stone very badly weathered and much not legible. Probably another daughter of S. & M. Perrine.

PLANK OR PRESIDENT'S CEMETERY

This is one of the most historic cemeteries in the County. It is about 60 feet south of Portage Road, in Wooster, Ohio. According to Existing records, there were 82 burials from 1824 to 1890. It has been known by many different names in its history, such as the Highland Quinby Park Cem. The Plank Cemetery, the Presidents' Cemetery (a misnomer which will be explained later).

Plank Cem. & The Hostetler Cem. was started by settlers who came to this country as early as 1812. These pioneers settled in a northeast area of what is now Wooster. Since most of the people in this area were Mennonites, the cemetery became predominantly Mennonite.

For many years this cemetery was erroneously called The Presidents' Cemetery. On May 3, 1853, John Plank, and his wife, Elizabeth, drew up a deed asking the President of the United States, then Franklin Pierce, to hold the cemetery in trust for them and their heirs. Later, the actual facts were misconstrued, and it was believed, until relatively recently, that the Planks deeded the cemetery itself to the President. However, the President did not accept this trusteeship, and the real connection terminated then.

Space does not permit a complete account

PLANK OR PRESIDENT'S CEMTERY

of the history of this plot, but much additional information can be found at the Wayne County Historical Society and the Wayne County Public Library.

SHERWOOD MEMORIAL GARDENS

This is a commercially operated enterprise, which is located about 1½ miles north of Madisonburg. It is owned by J.P. Roberts who also is the manager. In late 1974 Mr. Roberts stated that it would not be necessary to publish a list of burials here due to the fact that the records are complete and open to the public at all times.

There are about 3000 stockholders and nearly 1000 burials at the present time.

Miller-Wagner-Hilltop Cemetery

On County Rd. 186, about 2½ mi. north of Overton 1½ miles south of Armstrong on the Arthur Schultz farm. From driveway straight up the mountain-side about 250 ft. Only 2 tombstones remain here on the myrtle covered plot. Part of the metal fence is still usable. Sixty or seventy buried here had wooden markers, long ago rotted away.

Many Miller and Wagners buried here. My information comes from an 82 yr. old member of the Miller family. Some of the Miller family buried here are listed.

WOLF BURIAL

In Congress Township, near Wolf Run on the north side of the north line of Peter Henny's farm, now known as Naftgers, a child of Captain Wolf is buried.

Researched by Mrs. Robert N. Ungere, R. D. 5, Wooster, Ohio. Information secured from Douglass, History of Wayne County. Published 1874. 1873 Atlas shows David Naftzger in north east ¼ of Sec. 12.

RICHWINE CEMETERY

We would like to correct an error. We listed the Richwine Cemetery as being the same as the Stauffer. We know now that this is not the case, altho both are in section 5 and original Richwin land.

The directions to the Richwine Cemetery are as follows. Take S. R. 30 east from Wooster just past the outdoor theater to C. R. 73 and turn left. There is a white house on the corner and behind it, on C. R. 73 is a large barn. The old cemetery is behind the barn and can not be seen from the road. The cemetery is in poor condition.
